Iphone 6 power case quotation

Picture:

A61 Apple Iphone 6 air (4.7 inch) power case

Specification:

Model:	A61
Brand:	Natural
Capacity:	3000mAh
Output:	DC 5V-1000mA
Input:	DC 5V-1000mA
Cycle time:	500 times
battery type:	Lithium polymer
Woking temperature:	-10°C- +45°C
Net weighth:	89g
package:	14.8*7*13cm
Color :	Black, white, gold

Selling Features:

- protective cover and battery integration perfect combination of design, stylish slim, feel good.
- humane video stand functional design, surfing video perfect present.
- cap Gellar rod design, easy assembly and disassembly phone.
- use safe and reliable, high-performance lithium polymer battery.
- Battery capacity LED lights fourth gear display flashes indicating charging work.
- Intelligent key switch, extend the built-in battery life, and more secure.
- Intelligent MCU monitors the internal lithium battery charging current, charging voltage
- intelligent charging management / monitoring circuit, full automatic cut output, overcharge protection.
- Multiple protection circuit design, safety and reliability.
- support data synchronization.
- high-grade crystal box packaging.

Package:

Price:

quantity:	100pcs	100-500pcs	above 1000pcs
A61	US\$9.05	US\$8.48	US\$7.91

A62 Apple Iphone 6 air (4.7 inch) power leather case

Picture:

Specification:

Model: A62 leather battery case

Brand: Natural

Capacity: 3000mAh

Output: DC 5V-1000mA

Input: DC 5V-1000mA

Cycle time: 500 times

battery type: Lithium polymer

Woking temperature: -10°C- +45°C

Net weighth: 95g

package: 14.8*7*14cm

Color : Black, white, gold

Selling Features:

- protective cover and battery integration perfect combination of design, stylish slim, feel good.
- humane video stand functional design, surfing video perfect present.
- cap Gellar rod design, easy assembly and disassembly phone.
- use safe and reliable, high-performance lithium polymer battery.

- Multiple protection circuit design, safety and reliability.
- support data synchronization.
- high-grade crystal box packaging.

Package :

Price:

quantity:	100pcs	100-500pcs	above 1000pcs
A62	US\$9. 80	US\$9. 25	US\$8. 48

A65 Apple Iphone 6 air (4.7 inch) Battery Case

Picture:

Specification:

Model: A65 battery case
Brand: Natural
Capacity: 3500mAh
Output: DC 5V-1000mA
Input: DC 5V-1000mA
Cycle time: 500 times
battery type: Lithium polymer
Working temperature: -10°C- +45°C
Net weight: 90g
package: 14.8*7*14cm
Color : Black, white, gold

Selling Features:

- protective cover and battery integration perfect combination of design, stylish slim, feel good.
- humane video stand functional design, surfing video perfect present.
- cap Gellar rod design, easy assembly and disassembly phone.
- use safe and reliable, high-performance lithium polymer battery.
